About Me

I'm a UI/UX and Graphic Designer helping brands build visual identities and meaningful digital experiences. I work across product, branding, and web design, combining creativity and technology to create intuitive, functional, and engaging digital products.

Skills

UI/UX Design · Visual Design · Prototyping & Wireframing · Product Design · Brand Design · Information Architecture · Graphic Design · Figma · Canva · Web Development · Vibe Code

Experience

Co-Founder & Creative Director – [TIVA Creatives](#), Creative Startup

Date : **Sep 2026** to **Present**

- Co-founded TIVA Creative and led creative operations, brand positioning, and visual identity to help brands establish a clear market presence.

Head of Design – [Mergex](#), Digital Solutions & Technology Company (Full-Time)

Date : **Jan 2026** to **Sep 2026**

- Led UI/UX and brand experience at Mergex, defining the design roadmap and maintaining consistent design across products and client touchpoints.
